To Whom It May Concern,

I would highly recommend Jenny Hua for this very competitive nomination.

She was be a great representation for your organization and a deserving candidate for this award.

I have had the pleasure of working with Jenny for the past two years, here at Northwest High School, in suburban, Maryland. She is a member of our school's Academy of Finance academic program, and captain of the varsity golf team. Jenny placed 3<sup>rd</sup> during her 9<sup>th</sup> and 10<sup>th</sup> grade years in the golf state championship tournament. Jenny is heavily involved in school academic and extracurricular programs including the Math, English, and Spanish National Honor Societies, School Ambassadors Association, Physics team, Asian-American club, Green Team, PAWS (animal/adoption awareness), Hats for Hope and frequently engages in community service initiatives. She has also volunteered at Ronald McNair Elementary school for four years to tutor young children.

Jenny brings excellence to academic, professional and sport endeavors that she pursues. She has exceptional leadership skills and yields optimal performance when given the opportunities to collaborate with others. Through all the experiences in which I have worked with Jenny she has always demonstrated the highest levels of commitment, respect, unwavering work ethic and passion in her work. Jenny has the grit needed to conquer the most arduous tasks.
